

LEST WE FORGET

Y6 represented our school at the Remembrance Service at St Paul's Church today. They read their own work which they had written especially for the service and the pieces were very thought provoking and moving. The children then laid a wreath at the village war memorial; thank you to the Parish Council for providing the wreath for us. The children were brilliant ambassadors for the school, showing respect and understanding throughout. Thank you Y6, we are very proud of you all. It was lovely to be able to share this with so many parents too; your collection raised almost £60 which will be very welcomed by the British Legion! Thank you for being able to join us. We would also like to say a special thank you to Mr Green for coming to visit us in assembly and explaining the importance of Remembrance in such a child friendly and meaningful way.

We would like to invite parents into school to see their children's work. Classrooms will be open to parents and their children from **3.30 – 5pm** on Thursday 16th November. After all the classes have been matched up with parents at the end of the day, we will invite you to come back into school and into your child's classroom. KS2 parents are able to come into school from the playground until 3.45pm when we will close the Green Lane gate. After this please enter/leave school through the main reception door. Although teachers are not available at this time, your child will be able to show you their work and talk you through what they have been learning this term. This is a drop-in session, so you can arrive at any time and stay for as long or short a time as you wish. We look forward to seeing you next Thursday.

Headlice are back again! Please take some time to check your child's hair this weekend and treat them if necessary. Headlice are extremely resilient and difficult to get rid of, as one easily missed egg hatches and starts the whole cycle over again. Even if your child is free of lice and nits this time, please keep checking regularly. If your child has long hair it is best to keep it tied back as this makes it more difficult for the lice to transfer from one head to another. The NHS site has lots of information on how to treat head lice. <https://www.nhs.uk/conditions/head-lice-and-nits/> Children registered with a GP in the East Riding may be eligible for free treatments; your pharmacist will be able to help you with this.

Ms Anderson is starting up Family Reading for Class R. Parents or Grandparents are welcome to come into school on Tuesdays from 3 – 3.20pm and share a book with their child or their child and a friend. It will be very busy and there are definitely not enough chairs for all the adults! However, we would love for you to come and join us, find a space, pull up a cushion and share your favourite stories. Don't worry if you can't make it, Class R staff love reading stories and will make sure everyone is included.

Children in Need Day is happening on Friday 17th November. We are asking that the children come dressed in spots to match with Pudsey. Anything is fine, and outfits can have spots added to them in any way. Please send at least £1 donation if you can. You can send more if you wish. The children will be taking part in activities during the school day so that we have a bit of fun while fundraising.

Your child's unique Christmas card designs were sent home in book bags yesterday. Full details of how to make an order online are included. To make sure that your cards arrive in school in time for Christmas, the deadline to complete all your orders is **Friday 17th November**.

Flu **immunisation** will be happening in school on Friday 24th November. If you have not yet given your consent for your child to receive the flu vaccine in school, or wish to decline the vaccine, please follow the link <https://humber.schoolvaccination.uk/flu/2023/eastriding> If you experience any difficulties, please contact the immunisation team directly, on 01482 453690 or hullandeastriding@v-uk.co.uk, who will be able to help.

Y4 Parents are invited to an information meeting about the residential visit to Carlton Lodge next May. The meeting will take place in the Y4 classroom at 5pm on Wednesday 22nd November. If you cannot join us but would like a copy of the information shared, please let Miss Wardlow know via Seesaw. **Please note:** This meeting is for parents only; we will be sharing more child friendly information with the class later. Thank you

Lunch prices are changing at the start of the spring term. As I explained in the letter I emailed to all parents earlier this week, due to increased food and energy costs, we are running at a loss with our current price and cannot subsidise this from our school budget. Unfortunately, we have no alternative but to increase the costs of meals to the local authority recommended price of £2.60 from 9th January. We realise that this may cause some of our families hardship, in which case your child may be eligible for free school meals. Please follow the link to check.

Can you help? We are looking at ways of improving our playtimes for the children, especially with winter approaching. We are looking for cable reels of different sizes, planks of wood, guttering or scaffolding boards which we can use in construction and for tables/seats to play table-top games. If you, or anyone else you know, can help please let us know. Thank you.

Save the Date! The PFA Christmas Fair is taking place on Saturday 2nd December from 11 – 1.30pm. There will be stalls, tombola, refreshments and a raffle – there are some fantastic prizes this year. Santa has confirmed that he will be attending and is looking forward to meeting the children. More information on how to book times to see Santa will be coming out soon.
