

Y5 will be helping the Parish Council to plant hedgerows next week, beginning 5<sup>th</sup> Feb. The exact date will depend on the weather that week, although Monday is looking the most likely so far. The children will need to come to school in warm clothing, so they are prepared to work outdoors. A change of footwear, boots or wellies (and spare socks), would be helpful to change into for the planting. They will also need a waterproof coat. A pair of gardening gloves would be helpful if you have some, please don't go and buy any though, as we do have some in school. The consent form is on the Y5 Seesaw page, please complete and return to school if you have not already done so and are happy for your child to take part.

**Y5 & Y6 Sportshall Athletics** team are taking part in the next round of the competition on Tuesday morning, 6<sup>th</sup> February at Headlands school in Bridlington. We are very proud of them all and wish them the very best of luck.

Y6 will be visited by the school nurse on Friday 9<sup>th</sup> February for their 'Growing Up' talk. Further details and a link to the materials the nurse will be sharing have been sent to you via email so you can view the content before the talk takes place if you wish to do so.

**Can you help?** On Monday morning, one of our local residents was driving past school at the beginning of the day when someone in a parked car opened their door into the road. This bumped into the passing car. As there was nowhere to park, the resident dropped their car off at home. On finding that their wing mirror had been damaged, the resident returned to school, only to find that the other car had moved on. If you think this might have been you, and were wondering how to get in touch with the other driver, please pop into the office and we will discretely make contact on your behalf.

**We have many uniform** items in school at the minute, many with our logo on and all in good or very good condition. If you need some extra items of uniform, even as spares, please contact us first, letting us know the items and sizes you need; if we have them, we will send them home for you. Re-using is a brilliant way of helping our community as well as the environment.

**Sports Stars Academy Football Club** will be starting again after the half term. This will run on Fridays after school from 3.30 – 4.30pm and is for children from Y2 through to Y6. Please see the attached flyer for further details and booking information.

**The Dyslexia Sparks'** team are holding a family friendly **FREE** Tech Festival on **Saturday, 10th February at Tranby School**. This fun, interactive event is ideal for families and teachers who are interested in exploring the benefits of assistive technology and how it can support children and young people's learning and communication with dyslexia. Leading companies such as OrCam, Clicker, Scanning Pens, Sensory Readable and Kaz Typing will be showcasing their solutions. We also have a variety of handheld devices, software and gadgets to explore with experts on hand for advice and support. There will be an exclusive raffle on the day to win big prizes such as the [CPen Reader 2 Scanning Pen](#) as well as [Yoto Player](#). Places are free but limited and must be booked in advance on [Eventbrite](#). Guests can choose from one of our two hour sessions 10.30-12.30 / 1.00-3.00 when booking. **One ticket for every person** wanting to attend.

**There are several clubs** offering activities over the half term. Please see the attached flyers for further details and how to book.

**School Achievements:**

**Children mentioned in Good Work assembly:**

(This can be for a good piece of work in any subject, good effort or for showing resilience etc.)
