

Adventure Photography are coming into school to take class photos on Monday morning, 15th April. Please send your child in full school uniform with a jumper or cardigan on that day.

Tag Rugby for children in Y2 – Y6 begins on Tuesday 16th April and will run for five weeks.

Football club starts up again on Friday 19th April and will also run for five weeks.

Please note: You will need to book again if your child wishes to continue with the football club next term. To book a place on either club, email Lewis directly at sportsstarsacademy@hotmail.com with your child's name and year group.

Judo club starts again on Tuesday 16th April before school, from 7.50 – 8.35am. As always, if your child is interested in joining the club, they are welcome to come to this session for a free try.

We would like to invite you into school to come and look at your child's work, with your child, in their classrooms on Thursday 18th April. This is an open invitation where you can call in at any time between 3.30 – 4.30pm. We will send the children out as usual at the end of the day so we can make sure everyone is collected. We will then invite you into school. KS2 parents joining us at 3.30pm will be invited in from the playground but Green Lane gate will be locked as usual from 3.40pm onwards. If you are joining us later, please come into school through the main office entrance.

Do you work with science? Our science week is coming up very soon, starting on 22nd April. We are aiming to raise the children's understanding of how science is used and applied in real life. If you, or anyone you know, works with science in any way and would like to come and talk to the children about what you do, please get in touch via Seesaw or through the main office. Thank you.

YR will be having Forest School sessions every Friday afternoon for this half term. The children will be doing lots of practical activities and are likely to become muddy and dirty, so they will need to come dressed in outdoor play clothes for the day.

Parking is causing a problem again. We regularly have parents stopping or parking on the zigzags outside the school gates, despite many reminders that this is dangerous and causes a hazard for children crossing the road. You can be given a penalty charge notice for **waiting, stopping or parking on the zigzags**. These are issued by the Civil Enforcement Officers who visit all schools in the area - you may have noticed them outside our school just before the Easter break. Please don't be that person; always park considerately and safely - even if you are running late.

We have included a list of Diary Dates of events that have been arranged for this term. We will let you know of any further dates once they have been confirmed and will give you as much notice as possible if any of the existing dates need to be rearranged.
