

Our Chinese Whisper Club went to Middleton Hall at Hull University to take part in a concert on Wednesday evening. The children sang two songs – one completely in Mandarin – to an audience of several hundred people and joined with the other schools to perform a final song. They were absolutely brilliant! We are so very proud of them all!

It was lovely to see so many of you in school yesterday afternoon. The children were very excited to show you their work and share what they have been learning. The arrangements all worked very smoothly for both Key Stages, making it easier for staff to match children with adults and then for parents to access school. We will keep the same plan for next time.

It's a bit of a mixed bag re parking this week. No-one has parked on the zigzags at morning drop off and the children have had a clear view to cross the road. It really does make a huge difference to everyone's safety – thank you. However, we have received a complaint from a resident further down Green Lane who says our parents keep blocking his drive and when he asks them to move, he is 'met with a torrent of abuse'. Please be mindful of residents and always park considerately.

Thank you.

Class Photos are now available on www.activephoto.co.uk To find your child's class photo, you will need to enter the specific class code which Mrs Buttler sent out to everyone earlier this afternoon. If you have not received yours, please contact the office.

School Lunch menu changes: From Thursday next week (25th - Week 2 on the menu), the meal will be a chicken piece instead of Chinese style pork steaks. From Tuesday 30th April (week 3 on the menu), the sausage pattie will be served in a burger bun instead of a muffin. We have updated the menu on the website.

Y6 Leavers' Hoodies are in development. The children have chosen two colours this year and the design is now being created. They will be available to order online soon and will be delivered to school w/c 20th May so that the children will be able to wear them for their final half term.

Y6 Bikeability letters have come home tonight. The cycle training will take place over the first week back after half term, each group will have two sessions of training. The details of groups, dates and times are all contained in the letter.
