

Individual photographs

The photographer will be coming into school on Friday, October 17th to take individual photographs of the children and photographs with siblings. They will begin at 8am so younger or older siblings who do not attend Tickton can also come along.

Beverley Life

Beverley Life local paper will be coming to visit and take some photographs of our new Class R on Thursday 25th September. We will let you know when they will be published!

New Parents – Phonics meeting

New Class R parents are invited to a short meeting on Tuesday, September 23rd at 5pm, to learn about the 'Read Write Inc' phonics scheme and how to support early reading at home. This meeting is just for adults.

Come and take a closer look

We would like you to spend more time in school with us, seeing what and how your children learn. Please keep an eye on your child's Tapestry or Seesaw for invitations from the class teachers throughout this year.

Class 6 invitation

On Wednesday, 8th October Class 6 parents are invited into school to see one of the class PE lessons. From 9:10am-9:45am the children will be taking part in an orienteering session and we would love Class 6 parents to join in! This event is weather permitting and outdoors so suitable clothing would be required. Please let Mrs Owen know via Seesaw if you are able to make it so we know how many adults to expect.

We need you!

As we begin to make changes to our grounds to enable the children to be able to play in new and exciting ways, we need to start with storage solutions. We would like all children to be able to play on the field throughout the year. For this to work we need to come up with welly storage for each class. Do you have the skillset and some time you could donate to help? Here is a picture of the type of storage we think would work. Please do get in touch if you can help.

Data Consent

The office team will be sending out data consent reminders next week, asking you to check you are still happy with the consents you have given regarding use of your children's photographs and social media. Please keep an eye out for the email.

Hello Yellow!

Friday, 10th October is the 'Young Minds' mental health awareness day. We are asking everyone to come to school dressed in yellow and all classes will take part in wellbeing activities that will support their mental health. This is to raise awareness; we are not asking for donations.

Chinese Whispers

The popular 'Chinese Whispers' club is returning to the school this year. Mrs Daubney will talk to the KS2 children who are eligible to attend during the school day and send further information home with those who are interested.

Road Safety

Can I please remind all parents to not use the staff car park, it is not a safe area for children. The car park is very busy and the central area must be kept clear for emergency vehicle access at all times.

If you like to wait along Green Lane to watch your child on the playground in the morning, please be mindful of leaving the path clear enough so that parents with younger children can safely walk past without having to step into the road.

Mr Mullinger will be enlisting the help of some Year 6s to help parents remember to drop off and park in safe and legal areas. If you can park just a short walk away from the school, it really helps to keep our children safe and shows consideration to others.

Attendance Matters

This week our school attendance is 97.2% compared with the national average of 95.5%. Thank you!
