

Welcome back!

It has been a very chilly but positive start to the new term with our children returning energised and eager to learn. This term is always special, so much new learning takes place and the days start to get a little longer, with the promise of Spring around the corner! We know this term will be busy but we are ready!

The cold weather is expected to continue so please make sure that children come in appropriate, warm clothing to be outdoors. We are expecting our welly racks to be completed any time so hope to give the go ahead for all children to bring in wellies very soon!
