

PFA

Please note there has been a change to the date of this term's PFA meeting. The PFA will now be meeting just after half term on Wednesday, 25th February @ 6pm. The PFA will be planning ideas for the coming year that will raise money for the school to improve the children's outdoor play opportunities. Please do come along, we need you!

OPAL play update

Thank you to the parents who completed the play questionnaires last term. We have looked at all of the responses along-side the responses we had from the children and staff. It is clear that we all really value the importance of play and have lots of the same ideas for what we want to see at playtimes. We are going to build a play environment that brings all of the fun and adventure many adults remember accessing themselves as children. We also want to build our children's social skills, resilience and problem-solving skills to help them navigate relationships throughout their lives. The welly racks are almost complete, we will let you know as soon as they are ready and hope to have more exciting news soon. Please do have a read of the OPAL attachment 'The power of play' to learn about aims of what we are doing.

Amazon wish list

Our Amazon wish list is live! The wish list is a list of items we wish we had more of in school but often struggle to provide with the increasingly tight budget we have available. You show your appreciation to us in so many kind ways, especially at Christmas and the end of the school year. If you ever want to give something back to school that will benefit the children, perhaps you could consider something off the wish list. https://www.amazon.co.uk/hz/wishlist/ls/ENJZ4JTROAFO/ref=hz_ls_biz_ex

Road Safety

Thank you to the majority of our parents who consider safety when dropping their children off or collecting at school. Please do not stop your vehicles on the zig zag markings, even briefly, it is not safe for our children and it is against the law.

Attendance Matters

This year so far, our average attendance is 95% compared with the national average of 94.6%. Well done!
